

NATIONAL PREACH-IN ON GLOBAL WARMING FEBRUARY 10-12, 2012

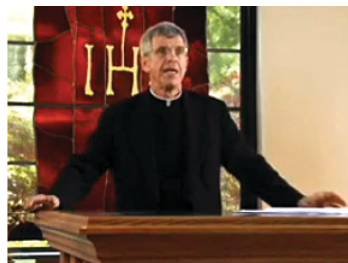

Mark your calendars!

Interfaith Power & Light (IPL) is inviting faith leaders from across the country to give sermons and reflections on global warming the weekend of **February 10-12, 2012**. As the date approaches, IPL will be offering a variety of resources to those who register, including:

- Denomination-specific liturgical and thematic notes to help in the preparation of sermons, reflections, devotionals, Bible studies, and youth activities
- Ready-to-go sample sermons on global warming
- Global warming fact sheet and bulletin insert
- Valentine's Day postcards for policy makers
- Selected DVDs on request with companion discussion guides

Give a sermon or host a discussion

In addition to sermons and reflections, congregations can choose to screen films and host discussions about putting faith into action. Resources will be available to those who register.

Send valentines to policy makers

Leading up to the event, participating congregations will receive Valentine's Day postcards to mail in to their representatives, encouraging political leaders to *love* their neighbors and the Earth by supporting policies that protect climate and curb greenhouse gas emissions.

*If you have any questions, please feel free to call your **state Interfaith Power & Light** leader or Andrée Duggan in the national office at 415-561-4891, or write to andree@theregenerationproject.org.*
